Overall Length:

0.850 inches

Overall Height:

1.032 inches

Overall Width:

0.390 inches

Block Type:

Regular

Mounting Method:

Screw

Terminal Design:

Feedback

Special Features:

Multi-contact grounding/bus connection module is provided with an integral threaded grounding stud; high fluid resistance; furnished with hardware

Terminal Type And Quantity:

8 pin

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A510r0
