Overall Length:

5.465 inches

Overall Height:

2.660 inches

Overall Width:

3.750 inches

End Application:

Pp-8498/u (nsn 6130-01-495-2839)

Usage Design:

To charge 2 ea bt-70581 csel lithium-ion batteries

Special Features:

To charge lithium-ion batteries in less than 3 hrs; terminal contacts: nickel plated spring contacts; material: modified abs plastic

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:
