Overall Length:

5.406 inches

Overall Height:

0.020 inches

Overall Width:

4.1875 inches

Unthreaded Mounting Hole Diameter:

0.250 inches single mounting facility

End Application:

Model wcn18, large capacity washer

Accommodated Item Securing Device Type:

Holes

Mounting Facility Type And Quantity:

3 unthreaded hole all mounting facilities

Product Name:

Shield, circuit board

Material:

Plastic polycarbonate

Style Designator:

Rectangular with/without mounting holes

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A062a0
