Overall Length:

6.080 inches

Overall Height:

1.500 inches

Overall Width:

4.260 inches

Usage Design:

Upgrades to usb connectivity

Product Name:

Usb to serial adapter

Special Features:

Operating temperature zero to 70 degrees c; bus-powered device, no external power supply required

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A536x0
