Mounting Method Style:

Straight one hole

End Application:

Jet engine test instru; ground bus assembly; panel asy, powr d, e

Conductor Accommodation Type:

Single setscrew single end

Product Name:

Inavy)terminal lug, ground

Special Features:

For connecting copper to copper; pure electrolytic

Material:

Copper

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A006b0
