**Operating Temperature Range:**

-40.0/+70.0 degrees celsius

**End Application:**

Space lift range systems

**Block Type:**

Regular

**Mounting Method:**

Screw

**Special Features:**

36 screw terminals; 250 volt limit

**Terminal Type And Quantity:**

36 screw

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A510r0
