End Application:

F100-pw200 engine for f-16

Basic Shape Style:

Lug assembly

Product Name:

Wire, thrust

Special Features:

The part data reference number is st1003 by cage code 77445; material reference to ams 5689 or ams 5645 sst

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A006b0
