Overall Length:

1.750 inches

Maximum Conductor Size Accommodated:

14 awg

Electrical Insulation Feature:

Insulating sleeve

Basic Shape Style:

Crimp

Conductor Accommodation Type:

Flat lug w/two ears single end

Product Name:

Terminal, spade

Material:

Copper except insulation or copper alloy except insulation

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A006b0
