Overall Length:

1.844 inches

Overall Width:

0.119 inches

Material Thickness:

0.113 inches

Mounting Method Style:

Shouldered hole

Mounting Tongue Width:

0.511 inches

Mounting Facility Thickness:

0.119 inches

End Application:

2340-01-511-7783, assault breacher vehicle

Basic Shape Style:

Crimp

Product Name:

Terminal, lug, flag type, crimp style, copper, class i

Special Features:

Cable size is 00; stud size is 0.500 inches

Material:

Copper

Surface Treatment:

Tin single layer

Specification Data:

81349 - ms25189 rev c government standard

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A006b0
