Mounting Method Style:

Ring

Mounting Hole Diameter:

0.250 inches

End Application:

6110-01-532-1835; 100kw power distribution panel

Basic Shape Style:

Solder/solderless

Product Name:

Ring terminal, 12/10 ht

Special Features:

Nickel-plated steel, ul recognized; noninsulated crimp-on terminals rate to 900.00degrees f; for 0.250inch stud size; for awg wire size 1 (0.080inch) to size 10(0.102inch)

Material:

Steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A006b0
