End Application:

Nha: hd-1099/tsq, air conditioner

Product Name:

Power splicer block

Special Features:

2 poles; 115 amps; material: thermoplastic; line wire range: nbr.2 - nbr.14 awg; load wire range: nbr.2 - nbr.14 awg; connector: high conductive aluminum, tin plated; cu connector: high conductive copper, tin plated; wire connector: 90 degrees c

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A17600
