Body Length:

5.950 inches

Body Width:

5.130 inches

Body Height:

0.250 inches

End Application:

Rcr for navsses

Mounting Configuration:

Captive screw assembly, 12 places around edges of cover; screws are no. 6-32

Product Name:

Inavy: cover, jack box; dwg: replacement lid for composite enclosure

Special Features:

HAS2-HO-LES-,1.1

Material:

Plastic

Material:

Plastic

Supplementary Features:

Interior surfaces have electroless nickel; no plating on exterior surfaces

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T23700
