Overall Length:

0.625 inches

Overall Width:

0.312 inches

Material Thickness:

0.020 inches

Largest Diameter:

0.250 inches all ends

End Application:

Terminal lug, solder

Basic Shape Style:

Solder

Conductor Accommodation Type:

Solder pot all ends

Special Features:

Larg hole dia: 0.250 mounting hole dia: 0.078

Material:

Copper alloy

Surface Treatment:

Tin single layer

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A006b0
