Overall Length:

0.844 inches

Overall Width:

0.312 inches

Material Thickness:

0.031 inches

Electrical Insulation Feature:

Insulating sleeve

Mounting Method Style:

External tooth

Mounting Hole Diameter:

0.145 inches

Mounting Tongue Width:

0.312 inches

Mounting Facility Thickness:

0.031 inches

Identification Code Color:

Blue

Basic Shape Style:

Solder/solderless

Product Name:

Terminal, ringtongue, pidg, wiresize, 16-14 awg

Material:

Copper mounting facility

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A006b0
