**Overall Length:**

21.970 inches

**Overall Width:**

12.700 inches

**Material Thickness:**

0.990 inches

**Basic Shape Style:**

Solder

**Product Name:**

Terminal, ring tongue, solistrand

**Special Features:**

Drawing number: c-165026

**Material:**

Copper

**Material Specification:**

Astm b-152 assn standard single material response

**Surface Treatment:**

Tin single layer

**Surface Treatment Specification:**

Astm b-545 assn standard single treatment response single layer

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A006b0
