Overall Length:

21.970 inches

Overall Width:

12.700 inches

Material Thickness:

0.990 inches

Basic Shape Style:

Solder

Product Name:

Terminal, ring tongue, solistrand

Special Features:

Drawing number: c-165026

Material:

Copper

Material Specification:

Astm b-152 assn standard single material response

Surface Treatment:

Tin single layer

Surface Treatment Specification:

Astm b-545 assn standard single treatment response single layer

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A006b0
