Overall Length:

3.626 inches

Overall Height:

0.915 inches

Overall Width:

1.060 inches

Operating Temperature Range:

-65.2/+200.2 degrees celsius

Mounting Method:

Screw

Special Features:

Has 7 mounting positions, 0.194 inch diameter elongated holes of 0.224 inch width; center to center space between mounting holes is

0.518 inches

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A510r0
