Overall Height:
34.0 millimeters
Overall Diameter:
14.5 millimeters
Maximum Height Above Mounting Surface:
24.0 millimeters
Electrical Insulation Feature:
Uninsulated
Mounting Method Style:
Stud
Thread Length:
10.0 millimeters
Basic Shape Style:
Single post, round (post binding)
Conductor Accommodation Type:
Screw single end
Cap Outside Diameter:
14.5 millimeters
Special Features:
Black panel mount 4mm jack for sheathed plugs. 36a maximum current and 1000 maximum volt.
Material:
Plastic polyamide and copper alloy and nickel
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A006b0
