Wire Hole Diameter:

0.90 millimeters all ends

Electrical Insulation Feature:

Insulating sleeve

Identification Code Color:

Red

Product Name:

Bullet terminal, female

Special Features:

Insulation material = heat-shrinkable nylon, 4.3mm diameter

Material:

Plastic polyamide insulation

Surface Treatment:

Tin single layer

Special Test Features:

temperature = 125 celsius

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A006b0
