**Wire Hole Diameter:**

0.90 millimeters all ends

**Electrical Insulation Feature:**

Insulating sleeve

**Identification Code Color:**

Red

**Product Name:**

Bullet terminal, female

**Special Features:**

Insulation material = heat-shrinkable nylon, 4.3mm diameter

**Material:**

Plastic polyamide insulation

**Surface Treatment:**

Tin single layer

**Special Test Features:**

temperature = 125 celsius

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A006b0
