Overall Width:

0.424 inches

End Application:

llarts system

Product Name:

Ground stud

Special Features:

Material document: astm b16, ally no. C36000, distance accross flats: 2.13 inches, 2x0.375 treaded, 24 threads per inch.

Material:

Brass

Material:

Copper alloy

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T174-b
