**Overall Length:**

1.469 inches

**Overall Width:**

1.312 inches

**End Application:**

Nas1066-2

**Product Name:**

Strip, high temperature terminal block, base insulating

**Special Features:**

Material: silicone glass laminate

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A510r0
