Overall Length:

4.00 inches

Overall Height:

1.125 inches

Overall Width:

2.50 inches

End Application:

Enclosed port

Voltage Rating:

600.00 volts

Mounting Method:

Panel

Product Name:

Terminal block

Special Features:

1.16" center to center; color: black; temperature: 302.00 deg. F.;

Terminal Type And Quantity:

2 screw

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A510r0
