Overall Height:

0.361 inches

Overall Length:

1.198 inches

Overall Width:

0.380 inches

End Application:

B-2 bomber aircraft dms

Product Name:

Lug, crimp style, copper, insulated

Special Features:

Max operating temperature: 105.00 deg. C.; stud size: 8; insulation sleeve color: yellow; size: 10; type ii, class 1;

Material:

Copper except insulation

Surface Treatment:

Tin single layer

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A006b0
