**Overall Height:**

0.361 inches

**Overall Length:**

1.198 inches

**Overall Width:**

0.380 inches

**End Application:**

B-2 bomber aircraft dms

**Product Name:**

Lug, crimp style, copper, insulated

**Special Features:**

Max operating temperature: 105.00 deg. C.; stud size: 8; insulation sleeve color: yellow; size: 10; type ii, class 1;

**Material:**

Copper except insulation

**Surface Treatment:**

Tin single layer

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A006b0
