Overall Length:

3.09 inches

End Application:

An/spn-41, 41a and an/trn-28

Mounting Method:

Stud

Product Name:

(inavy) ground stud

Special Features:

Next assembly: 43033-00928-1; used on: an/spn-41b; dwg is itar and export controlled

Material:

Stainless steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T174-b
