Product Name:

Terminal, stud, blind plate

Special Features:

For electrical bonding and grounding; dimensions are 1.8 x 0.5 x 0.5 inches

Material:

Steel conductor accommodation

Material Specification:

81348-ams-qq-a-225/8 assn standard single material response insulation

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A006b0
