Overall Length:

1.233 inches

Thru-hole Diameter:

0.134 inches

Maximum Conductor Size Accommodated:

12 awg

Electrical Insulation Feature:

Insulating sleeve

Identification Code Color:

Yellow

Basic Shape Style:

Sealing sleeve

Product Name:

12-10 awg insulated butt splice connector

Conductor Accommodation Type Style:

Recessed barrel all ends

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A006b0
