Overall Length:

1.73 inches

Overall Width:

0.62 inches

End Application:

5419-01-543-0158

Product Name:

Terminal, lug

Special Features:

Insulation - vinyl; panduit color code - blue; plating type - tinned; stud hole size (mm) m10; stud size - 0.375 inches; temperature rating - 221 degrees fahrenheit (105 degrees celsius); wire range 6 awg; wire range (mm) 16.0

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A006b0
