Slot Depth:

0.125 inches first end

Overall Length:

0.922 inches

Electrical Insulation Feature:

Insulating sleeve

Mounting Method Style:

Slot

Product Name:

Panel jack-closed entry-thread mount

Conductor Accommodation Type Style:

Threaded external single end

Special Features:

Color red

Material:

Plastic polytetrafluoroethylene insulation

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A006b0
