**Slot Depth:**

0.125 inches first end

**Overall Length:**

0.922 inches

**Electrical Insulation Feature:**

Insulating sleeve

**Mounting Method Style:**

Slot

**Product Name:**

Panel jack-closed entry-thread mount

**Conductor Accommodation Type Style:**

Threaded external single end

**Special Features:**

Color white

**Material:**

Plastic polytetrafluoroethylene insulation

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A006b0
