**Product Name:**

Coaxial adaptor

**Special Features:**

Operating temperature range: m50 to p70 celcius; mumber of matings: 500; packagin (pce) single; weigh: 0.0351kg; connector gender1 interface sma-precision-plug(male); connector gender2 interface n-precision jack(female)

**Material:**

Copper and gold and nickel

**Supplementary Features:**

Inpedance 50 ohms; interface freq maximum 18ghz

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A536x0
