Product Name:

Coaxial adaptor

Special Features:

Operating temperature range: m50 to p70 celcius; number of matings: 500; packagin (pce) single; weigh: 0.0351kg; connector gender1 interface sma-precision-plug(male); connector gender2 interface n-precision jack(female)

Material:

Copper and gold and nickel

Supplementary Features:

Inpedance 50 ohms; interface freq maximum 18ghz

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A536x0
