Mounting Material:

Metal

Accessory Component Quantity:

6

Furnished Items:

Capacitor, electronic componentsassy, connector, terminal board

Mounting Facility:

Bracket

Controlling Agency:

Electro-optical systems inc

Identifying Number:

-5757/23-003 part no. And -5757/23-008 part no. And 1137827 part no.

Individual Relay Quantity:

8

Relay Type:

Ac and motor driven

Fsc Application Data:

Control, transmitter group, countermeasures set

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T142-b
