Overall Length:

1.880 inches

Overall Height:

1.460 inches

Overall Width:

1.180 inches

Environmental Protection:

Hermetic

Winding Quantity:

1

Coil Quantity:

1

Duty Type:

Continuous

Pile-up Main Contact Form Arrangement:

12c

Operating Current Rating And Type:

170.0 milliamperes dc single winding

Operating Voltage Rating And Type At Specificationified Temp:

26.5 volts dc 25 degrees celsius single winding

Main Contact Load Current Rating At Maximum Rated Voltage:

2.0 amperes dc inductive load

Main Contact Maximum Voltage Rating In Volts:

28.0 dc

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
