Mounting Material:

Iron, magnetic

Mounting Surface Treatment:

Cadmium plated

Overall Length:

4.219 inches

Overall Height:

2.125 inches

Overall Width:

5.062 inches

End Application:

Type no. Pax-1000

Mounting Facility:

Mounting board

Usage Design:

For line finder connector use

Mounting Configuration:

3 mtg holes w/clearance for no. 8 screw irregularly spaced

Controlling Agency:

North electric mfg co

Identifying Number:

505-h type no.

Individual Relay Quantity:

5

Relay Type:

Relay

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T142-b
