Special Features:

Contact rating dpdt 10 amp, hermetically sealed, temperature range minus 55 degrees c to plus 85 degrees c, timing range 10 sec to 100 sec, input voltage 18 to 32v dc, 2.459 in. Lg, 2.187 in. W, 1.531 in. H., three 0.147 in. Diameter mtg holes spaced on the corners of an isosceles triangle, base 0.750 in., altitude 1.844 in.

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:
