Overall Length:

4.060 inches

Overall Height:

1.000 inches

Overall Width:

1.620 inches

End Application:

Type no. Bd-89-e

Winding Quantity:

1

Coil Quantity:

1

Duty Type:

Continuous

Pile-up Main Contact Form Arrangement:

2a and 1a and 2b

Operating Current Rating And Type:

18.0 milliamperes dc single winding

Operating Voltage Rating And Type At Specificationified Temp:

9.0 volts dc 25 degrees celsius single winding

Main Contact Load Current Rating At Maximum Rated Voltage:

250.0 milliamperes dc resistive load

Main Contact Maximum Voltage Rating In Volts:

50.0 dc

Special Features:

Moisture and fungus resistant

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03300
