**Overall Length:**

5.750 inches

**Overall Height:**

3.500 inches

**Overall Width:**

3.620 inches

**Winding Quantity:**

1

**Coil Quantity:**

1

**Winding Dc Resistance Rating:**

1.1 kilohms single winding

**Duty Type:**

Continuous

**Operating Current Rating And Type:**

21.0 milliamperes dc single winding

**Operating Voltage Rating And Type At Specificationified Temp:**

230.0 volts dc 25 degrees celsius single winding

**Main Contact Load Current Rating At Maximum Rated Voltage:**

17.5 amperes dc resistive load

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A03300
