Overall Length:

1.140 inches

Overall Height:

0.921 inches

Overall Width:

0.875 inches

End Application:

Part/dwg no. 601803

Usage Design:

Used as an armature for relay, armature

Mounting Configuration:

Mounted by spring clip

Special Features:

Fungus proof, anti freeze device

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T321-a
