

View Online at <https://aerobasegroup.com/nsn/5945-00-283-6716>

Special Features:

Input voltage 120 v ac nom, 110 v ac min, 130 v ac max, 60 hz, input current 80 ma max, spstno contact arrangement, contact rating 10 amp, 120 v ac rms, 60 hz, inductive load, continuous, pickup voltage 100 v ac rms, 60hz, dropout voltage 10 v ac rms, 60 hz, release time 100 millisecond max, time delay 7 second, recycle time 200 millisecond max, reset time 60 millisecond max, time delay repeatability porm 2 pct of nom value, coninuous duty cycle, ambient temp range 0 to p65 degrees c, 2.36 in. Lg max, 1.48 in. W max, 3.05 in. H o/a, four 6-32 unc-2a thd studs on 0.937 in. By 1.750 in. Mtg centers, 4 terminals

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A513k0
