Overall Length:

4.375 inches

Overall Height:

7.625 inches

Overall Width:

3.000 inches

Frequency In Hertz:

60.0

Coil Quantity:

1

Operating Current Rating And Type:

48.0 amperes ac single winding

Operating Voltage Rating And Type At Specificationified Temp:

600.0 volts ac 25 degrees celsius single winding

Main Contact Maximum Voltage Rating In Volts:

600.0 ac

Special Features:

Normally closed hand reset contact block supplied

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03300
