Mounting Material:

Aluminum alloy

Overall Length:

4.250 inches

Overall Height:

3.188 inches

Overall Width:

3.188 inches

Cubic Measure:

43.194 cubic inches

Mounting Facility:

Base

Mounting Configuration:

Three keyholes in a isosceles triangle configuration

Controlling Agency:

Cyclothorn corp

Identifying Number:

47241b drawing no.

Individual Relay Quantity:

3

Relay Type:

General purpose

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T142-b
