Overall Length:

8.656 inches

Overall Height:

5.500 inches

Overall Width:

5.500 inches

Motor Type:

Synchronous

Special Features:

Elec ratings, ac, dc, 115v maximum rated voltage, 20 amp nom curr rating at amx rated voltage, ac, 230v maximum rated voltage, 15 amp nom curr rating at maximum rated voltage, dc, 125v maximum rated voltage, 3 amp nom curr at maximum rated voltage; motor 115 vac, 60 hz; 2 terminals for motor/4 for contacts; rated for actuation time, operating tim (adjustable) 2-300 sec, w/progress indicator; dustproof; two 9/32 in. Diameter mtg holes spaced 4-7/16 in. C to c

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A519n0
