Overall Length:

5.910 inches

Overall Height:

2.720 inches

Overall Width:

2.970 inches

Environmental Protection:

Hermetic

Winding Quantity:

1

Coil Quantity:

1

Duty Type:

Continuous

Operating Voltage Rating And Type At Specificationified Temp:

30.0 volts dc 25 degrees celsius single winding

Main Contact Load Current Rating At Maximum Rated Voltage:

300.0 amperes dc resistive load

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
