**Overall Length:**

5.910 inches

**Overall Height:**

2.720 inches

**Overall Width:**

2.970 inches

**Environmental Protection:**

Hermetic

**Winding Quantity:**

1

**Coil Quantity:**

1

**Duty Type:**

Continuous

**Operating Voltage Rating And Type At Specificationified Temp:**

30.0 volts dc 25 degrees celsius single winding

**Main Contact Load Current Rating At Maximum Rated Voltage:**

300.0 amperes dc resistive load

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**
