Electromagnetic Relay - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5945-00-499-3574

Fragility Factor:

Moderately rugged

Winding Quantity:

1

Purpose For Which Designed:

General

Coil Quantity:

1

Arc Quenching Method:

Air

Storage Type:

General purpose warehouse

Operating Voltage Rating And Type At Specificationified Temp:

12.0 volts dc 25 degrees celsius single winding

Shelf Life:

N/a

Unit Of Measure:

Demilitarization:

No

Fiig:

A03300
