Overall Length:

2.680 inches

Overall Height:

4.810 inches

Overall Width:

1.210 inches

End Application:

Tgype no. An/grc-29

Winding Quantity:

1

Coil Quantity:

1

Winding Dc Resistance Rating:

5.000 kilohms single winding

Duty Type:

Intermittent

Mounting Facility Type And Quantity:

1 bracket single mounting facility

Pile-up Main Contact Form Arrangement:

1c

Operating Current Rating And Type:

10.0 milliamperes dc single winding

Operating Voltage Rating And Type At Specificationified Temp:

80.0 volts dc 25 degrees celsius single winding

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03300
