Overall Length:

1.760 inches

Overall Height:

1.630 inches

Overall Width:

1.680 inches

Winding Quantity:

1

Coil Quantity:

1

Duty Type:

Continuous

Operating Current Rating And Type:

170.0 milliamperes dc single winding

Operating Voltage Rating And Type At Specificationified Temp:

24.0 volts dc 25 degrees celsius single winding

Main Contact Load Current Rating At Maximum Rated Voltage:

6.0 amperes ac inductive load

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A03300
