Overall Length:

2.750 inches

Overall Height:

1.620 inches

Overall Width:

1.810 inches

Winding Quantity:

1

Coil Quantity:

1

Duty Type:

Continuous

Operating Current Rating And Type:

140.0 milliamperes dc single winding

Operating Voltage Rating And Type At Specificationified Temp:

28.0 volts dc 25 degrees celsius single winding

Main Contact Load Current Rating At Maximum Rated Voltage:

2.00 amperes dc resistive load

Main Contact Maximum Voltage Rating In Volts:

50.0 dc

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:
